

## ARTIST FAMILY AFFILIATE PROGRAM

Spiral Stage recognizes and seeks to align our company with excellence in artistry near and far. With such an endeavor, we have developed an Artist Family Affiliate program wherein we nurture relationships with actors, designers, musicians and other artists who, after a series of successful collaborations may be invited to become lifetime members of our Artist Family.

- This relationship encourages these talented artists to come back from time to time to participate in another collaborative project, bringing their personal energy into the theatre.
- It offers them a home-away-from-home wherein they might propose a unique and exclusive project for us to help them develop of which you, our audience, can then partake.
- And it spreads the word of Spiral Stage, it's quality and commitments, far and wide.

See our Artist Family members with photos and bios and past and future projects with Spiral Stage, and read more about our Artist Family Affiliate program and the guidelines of how Artists become lifetime members on our website at [www.SPIRALSTAGE.org](http://www.SPIRALSTAGE.org).

## FROM ARTISTIC DIRECTOR, PATRICK SPIKE

Spiral Stage Theatre Group is coming about due to the progressive vision of Patrick Spike. Having worked in numerous theatres of various size and styles in Washington, California and beyond and having moved to Portland after completing an MFA degree in stage directing, 'Spike,' as he is known to friends and colleagues, has been working as part of the executive staff at Portland Center Stage for the past five years.

With full understanding that there is room for all types of performance companies in a diverse and savvy area such as ours, it became apparent that there just wasn't a company bridging the gap between the art of a playhouse and the fun of a nightclub. The community has been expressing its wish for theatre that is fun and hip and lively while still being engaging, edgy and thoughtful. And while a great deal of the theatre happening in our area is good, a visit to the theatre isn't yet "an experience."

Audiences are saying "We want the whole package. We want to be pampered, engulfed, encompassed. We want an Experience!"

This is Spiral Stage Theatre Group. This is what Spike is going to bring to Portland.

Wait and see...

## SPIRAL STAGE THEATRE GROUP

We insist on **fun**.

We **pamper** our guests. We **create**,  
and we **transcend**. We're  
**Spiral Stage Theatre Group!**

## WELCOME

Spiral Stage Theatre Group is a NEW theatre company for the Vancouver/Portland area. With plans for two performance spaces, the Cabaret Club Theater will serve a full menu of beverages, appetizers & deserts to accompany our fun, lively and extraordinary productions, while the Studio Theater will offer audiences an entirely new experience with every production. We intend to be THE place to be. Wait and see...

## ABOUT US

We're new, and we're here to give you something more. Why have just the same evening of a movie or merely a show? We give you an Experience! We insist on fun. We pamper our guests. We create, and we transcend. Welcome to Spiral Stage Theatre Group!

## OUR MISSION

Spiral Stage endeavors to create experiences that transcend the everyday, resonate outward from the moment, enlighten and lift us beyond the ordinary, while reminding us that we are indeed... alive.

## OUR PROGRAMMING

Spiral Stage has plans for productions of enlivening theatre for the area. From sizzling, jazzy reviews of music we all love, to campy, hilarious, contemporary comedies that will fill the theatre with laughter, we want to keep our programming engaging but always fun and fresh.

There's plenty of heavy, angst-ridden art out there right now. While our productions are smart and savvy, they'll always be entertaining, enlightening, and totally enjoyable.

We're the place to bring that hot date (even if it's your spouse!) Come see what's hot at our place. It's like your favorite night club, with the best show in town. There's always something great on stage at Spiral Stage.

## SUPPORT US

Professional performing arts organizations typically can only rely on ticket sales to provide 50% of the annual budget. It normally takes an equivalent amount of contributions from individuals just like you, along with a few generous foundations or corporations, to bring you the best entertainment experience. Spiral stage is working to stay ahead of the curve, to generate more than 50% of our budget from earned income.

But we still need your help.

Please consider making a donation to Spiral Stage Theatre Group. Your donation is tax-deductible and can be spread over time to make it as easy as possible for you to support us.

Please see our Membership brochure for a variety of ways to support Spiral Stage Theatre Group.

## THE BUILDING WE SEEK

We're currently searching for a suitable venue to be the home for Spiral Stage Theatre Group.

A space with two performance venues, offices and shop facilities, storage and a ticketing space. A lobby/lounge area to bring audiences and artists and a gallery together over drinks or coffee. A boutique offering a collection of cool spiral gift items and home decorating accessories. Rooms to teach and share and debate and exchange.

These are the spaces we intend to carve out. If you know of a possible space, more finished or in the rough, please let us know. [Info@spiralstage.org](mailto:Info@spiralstage.org)

## SPECIAL PROGRAMS

From productions specifically for children with discounts of up to 50% off regular ticket prices for large groups, educational programs to benefit the community which we will call home, to special free-form cabaret performances and "Random Kindness" FREE nights at the theatre, Spiral Stage has a host of special programs in the making. Watch for updates on our website.
